Lake Sakakawea State Park hosts wheelchair hunt

Lake Sakakawea State Park is holding the 13th annual Wheelchair Hunt Nov. 15-16, announces park manager Greg Corcoran.

The hunt, held the second weekend of North Dakota's deer gun season, allows those confined to a wheelchair due to disability to take to the field. The campground and park will be closed for the weekend to facilitate the hunt. This includes the campgrounds and trail systems. Park staff will be available at the Visitor Center to answer any questions.

Those wanting to participate need to contact the park due to the nature of the hunt and preparations to set up blinds to meet individual needs. Space is limited.

Lake Sakakawea State Park is located just north of Pick City. For additional information contact the park at 701-487-3315. Information about the park can be found at www.parkrec.nd.gov.
